## PLENARY PART

### SECTION 1. MODERN STRATEGIC SOLUTIONS TO COUNTER SANCTIONS

Moderator: Deputy Director for scientific work and education at N.A. Semashko National Research Institute of Public Health DSc in Medicine, Professor  
**Alexandrova Oksana Yurievna**

|                    |  |   |
|--------------------|--|---|
| <b>10.30-10.50</b> | <p>Head of the Department, Deputy Academician-Secretary of the OMedS, the Federal State Budgetary Institution "Russian Academy of Sciences" DSc in Medicine, Professor, Academician of the Russian Academy of Sciences</p> <p><b>Beregovykh Valery Vasilievich</b></p> | <i>"The main tasks for the development of medical science"</i>  |
| <b>10.50-11.05</b> | <p>Deputy Minister of Health of the Russian Federation</p> <p>DSc in Medicine</p> <p><b>Plutnitsky Andrey Nikolaevich</b></p>  | <i>"Ensuring infection safety in modern conditions: the COVID-19 pandemic experience"</i>                               |
| <b>11.05-11.20</b> | <p>Deputy Director for scientific work and education at N.A. Semashko National Research Institute of Public Health DSc in Medicine, Professor <b>Alexandrova Oksana Yurievna</b></p>   | <i>Scientific substantiation of public health response models as a medical and social resource to global challenges</i> |
| <b>11.20-11.35</b> | <p>Deputy Director of the Department for the Development of the Pharmaceutical and Medical Industry of the Ministry of Industry and Trade of the Russian Federation <b>Shikina Ekaterina Alekseevna</b></p>  | <i>The title of the report is being agreed on</i>   |

|                    |  |  |
|--------------------|--|--|
| <b>11.35-11.50</b> | Head of the Federal Service for Surveillance in Healthcare, DSc in Medicine, Professor<br><b>Samoilova Alla Vladimirovna</b>   | <i>"Drug safety in modern conditions"</i>  |
| <b>11.50-12.05</b> | Deputy of the State Duma of the Russian Federation<br><b>Kizeev Mikhail Vladimirovich</b>  | <i>"Legal regulation of healthcare in modern conditions. Protection of genetic information."</i> |
| <b>12.05-12.30</b> | Head of the Federal State Budgetary Institution ADMESC "Zashchita", DSc in Medicine, Professor, Academician of the Russian Academy of Sciences<br><b>Goncharov Sergei Fedorovich</b> | "Problems of medical evacuation of the sick and the injured in modern conditions"                |
| <b>12.30-12.45</b> | Break  |  |

## **SECTION 2. LESSONS OF HISTORY: THE IMPACT OF SCIENTIFIC REVOLUTIONS AND SOCIAL CHALLENGES ON THE DEVELOPMENT OF SCIENCE**

Moderator: Deputy Director for scientific work and education at N.A. Semashko National Research Institute of Public Health DSc in Medicine, Professor  
**Alexandrova Oksana Yurievna**

|                     |   |  |
|---------------------|---|--|
| <b>12.45- 12.50</b> | Chief researcher of the Federal State Budgetary Scientific Institution " N.A. Semashko National Research Institute of Public Health", Professor<br><b>Borodulin Vladimir Iosifovich,</b><br>Associate Professor, Department of Therapy, Faculty of Fundamental Medicine, Lomonosov Moscow State University PhD in Medicine <b>Banzelyuk Egor Nikolaevich</b><br><br>Senior Researcher at the Institute of World | <i>"Contribution of Academician A.M. Stochik in science. The concept of scientific revolutions".</i> |
|---------------------|---|--|

|                    |   |   |
|--------------------|---|---|
|                    | History of the Russian Academy of Sciences, Senior Researcher at N.A. Semashko National Research Institute of Public Health PhD in Medicine <b>Berger Elena Evgenievna</b>  |   |
| <b>12.50-13.15</b> | Chief Researcher of the Federal State Budgetary Scientific Institution " N.A. Semashko National Research Institute of Public Health", DSc in Medicine, Professor <b>Zatravkin Sergey Narkizovich</b>  | <i>"Scientific revolutions in the medicine of the XVIIth-XXIth centuries"</i> |
| <b>13.15-13.35</b> | Head of the Department of the History of Medicine, Federal State Budgetary Educational Institution of Higher Education " A.I. Evdokimov Moscow State University of Medicine and Dentistry", Ministry of Health of the Russian Federation,<br><br>Chairman of the All-Russian Public Organization "Russian Society of Historians of Medicine", DSc in Medicine, Professor<br><b>Pashkov Konstantin Anatolievich,</b><br><br>Deputy Head of the Center for the Development of Historical and Medical Museums of Russia,<br>A.I. Evdokimov MSUMD<br><b>Zhmaka Artem Grigorievich,</b><br><br>Junior Researcher of the Department of the Russian Museums of Medicine, Federal State Budgetary Scientific Institution " N.A. Semashko National Research Institute of Public Health"<br><b>Maksimov Egor Sergeevich</b> | <i>"100 years of A.I. Evdokimov MSUMD. Unknown pages of history"</i>          |

|                           |   |  |
|---------------------------|---|--|
| <p><b>13.35-13.50</b></p> | <p>Director of the Institute for Demographic Research, FCTAS RAS, DSc in Economy, Professor, Corresponding Member of the Russian Academy of Sciences<br/> <b>Ryazantsev Sergey Vasilievich</b></p>  | <p><i>"The evolution of the Russian demographic policy in 2000-2020"</i></p>   |
| <p><b>13.50-14.10</b></p> | <p>Professor of N.A. Semashko Department of Public Healthcare and Health, FF Erisman Institute of Public Health, «I. Sechenov First Moscow State Medical University» of the Ministry of Health of the Russian Federation<br/> DSc in Medicine, Professor<br/> <b>Tregubov Valery Nikolaevich</b></p>  | <p><i>"Formation and developmental features of the first Russian department of social hygiene against the backdrop of social challenges of the current century."</i></p> |
| <p><b>14.10-14.30</b></p> | <p>Head of the Laboratory of Viral Hepatitis of the Federal State Budgetary Scientific Institution "I. Mechnikov Research Institute of Vaccines and Sera", Corresponding Member of the Russian Academy of Sciences, DSc in Medicine, Professor<br/> <b>Mikhailov Mikhail Ivanovich</b></p>  | <p><i>"Discovery of the causative agents of viral hepatitis from A to E. Scientific revolution in their prevention and treatment"</i></p>                                |
| <p><b>14.30-14.55</b></p> | <p>Director of F.F. Erisman Institute of Public Health, Head of the Department of Epidemiology and Evidence-Based Medicine, Federal State Autonomous Educational Institution of Higher Education «I.M. Sechenov First Moscow State Medical University», the Ministry of Health of the Russian Federation, Chief Freelance Specialist-Epidemiologist of the Ministry of Health of the Russian Federation, Academician of the Russian Academy of Sciences, DSc in Medicine, Professor<br/> <b>Briko Nikolai Ivanovich</b></p> | <p><i>"Evolution of ideas about the structure and content of modern epidemiology"</i></p>  |

|                    |              |  |
|--------------------|--------------|--|
|                    |              |  |
| <b>14.55–15.05</b> | <b>Break</b> |  |

### **SECTION 3. PROSPECTS FOR THE DEVELOPMENT OF THE LEADING FIELDS OF MEDICINE.**

Moderator: Head of the scientific direction of the Federal State Budgetary Scientific Institution "N.A. Semashko National Research Institute of Public Health " DSc in Medicine, Professor, Corresponding Member of the Russian Academy of Sciences **Schepin Vladimir Olegovich**

|                     |  |   |
|---------------------|--|---|
| <b>15.05 -15.25</b> | General Director of the National Medical Research Center for Radiology of the Ministry of Health of the Russian Federation, President of the Association of Oncologists of Russia, DSc in Medicine, Professor, Academician of the Russian Academy of Sciences<br><b>Kaprin Andrey Dmitrievich</b>                  | <i>"Nuclear Medicine in the Russian Federation: New Realities"</i>  |
| <b>15.25- 15.45</b> | Head of the Department of Virology of the Federal State Budgetary Educational Institution of Additional Professional Education "Russian Medical Academy of Continuous Professional Education" of the Ministry of Health of the Russian Federation, DSc in Medicine, Professor<br><b>Malinnikova Elena Yurievna</b> | <i>"Prospects for the development of virology in modern realities"</i>  |
| <b>15.45-16.05</b>  | Deputy Director for Organizational Work of the A.V. Vishnevsky Institute of Surgery of the Ministry of Health of the Russian Federation, DSc in Medicine, Professor<br><b>Olovianny Vladimir Evgenievich</b>   | <i>"Modern trends in the organization of surgical care in the Russian Federation"</i>                               |
| <b>16.05-16.25</b>  | Director of the Federal State Budgetary Institution «National Research Center for Endocrinology» of the Ministry of Health of the Russian Federation, DSc in Medicine, Professor, Corresponding Member of the Russian Academy of Sciences<br><b>Mokrysheva Natalya Georgievna</b>                                  | <i>«Domestic pharmaceutical market and endocrine glands: domestic and imported technologies in the treatment of</i> |

|  |  |                           |
|--|--|---------------------------|
|  |  | <i>endocrinopathies.»</i> |
|--|--|---------------------------|

**SECTION 4. SCIENCE AND BUSINESS. PERSPECTIVE DEVELOPMENTS OF THE RUSSIAN SCIENTISTS AND INTERNATIONAL INTERACTION.**

Moderator: Head of the scientific direction of the Federal State Budgetary Scientific Institution "N.A. Semashko National Research Institute of Public Health " DSc in Medicine, Professor, Corresponding Member of the Russian Academy of Sciences **Schepin Vladimir Olegovich**

|                    |   |   |
|--------------------|---|---|
| <b>16.25-16.40</b> | Deputy State Secretary of the Union State, Member of the Standing Committee of the Union State<br><b>Sirenko Victor Ivanovich</b>   | <i>"Healthcare of the Union State: achievements and prospects"</i>  |
| <b>16.40-16.55</b> | Vice-President of the Pharmasyntez Group<br><b>Astafurov Oleg Igorevich</b>   | <i>"The main goals and objectives for achieving drug safety in Russia on the example of the Pharmasyntez Group"</i> |
| <b>16.55-17.15</b> | Professor of Pharmacology, Beijing University of Chinese Medicine<br><b>Minke Tang</b>  | <i>"Innovation in traditional medicine - an example of Chinese traditional medicine"</i>                            |
| <b>17.15-17.30</b> | Head of the Laboratory of Biomedical Nanotechnologies, the Institute of Bionic Technologies and Engineering, «I.M.Sechenov First Moscow State Medical University», the Ministry of Health of the Russian Federation, PhD in Physics and Mathematics, Associate Professor of the Institute of Biomedical Systems, National Research University of Electronic Technology MIET<br><b>Gerasimenko Alexander Yurievich</b> | <i>"Restoring the integrity of soft biological tissues using laser soldering technology"</i>                        |
| <b>17.30-17.45</b> | Senior Researcher of the Laboratory of Fundamental Research in Ophthalmology, the Federal State Budgetary Institution " M.M. Krasnov Research Institute of Eye Diseases"  | <i>"New lines of reagents for express application of scanning electron microscopy in biomedical research"</i>       |

|              |  |  |
|--------------|--|--|
|              | <b>Novikov Ivan Alexandrovich</b>      |  |
| <b>17.45</b> | <b>Final sitting of the conference</b> |  |
